PRAYING ANGEL STATUE

The Praying Angel Statue in the Garden of Angels (Baby Land) was donated by Mr. & Mrs. John Cameron to honor their second born son,
Mitchell Robert Cameron
Our Angel in Heaven
October 10, 2004 - December 3, 2004

****

In my heart you live on
Always there, never gone
Precious child, you left too soon
Tho' it may be true we're apart
You will live forever … In my heart.

In loving memory of
Mitchell Robert Cameron - 2004

To all the families whose hearts ache
from the loss of a child …
May you take comfort in knowing
this angel is watching over
your child's final resting place.
This statue is dedicated to all the infants
who have left us too soon … and are now
playing with the angels in heaven.

According to Arlene Matson, who was the Cemetery Association President when the Angel Statue was being installed, felt the Camerons were an amazing, thoughtful and co-operative couple, who carefully chose words to be inscribed on the statue that would comfort, reassure and benefit others, even during their own grieving.
John and Kristy Cameron also furnished the planting material on the perimeter of Baby Land and provided a crew to do the work.

The Camerons are now blessed with two healthy, happy children.
